BREAST CANCER CAMPAIGN

To all who contributed to or helped with the Coffee Morning in aid of the Breast Cancer

Campaign back in March, particularly those who came and spent money on the day, a huge and unreserved thank you!

To judge by the noise levels, and the empty stalls by the end of the morning, everyone had a good time and were both generous and supportive. The event raised £811 for the charity.

STICKABILITY

*"To him that overcomes will I give to eat
of the tree of life which is in the midst of
the paradise of God,"*

St. John (who wrote the Bible book
Revelation) could have spent his time
feeling bitter about his exile on the
island of Patmos. But he didn't. He
understood that it's no good giving up
'half way' and that God rewards those
who show spiritual perseverance, or
'stickability'

William Wilberforce
had it. He and his friends
of the Clapham Group
were born into a cynical
and violent society which
held views such as that
'religion causes problems rather than
cures them'. The National Lottery
(which Wilberforce called 'a national
scandal') meant that many, mostly the
poorest, were duped into betting on
near-impossible odds. Sound familiar?

There were also other 'national
scandals': annual consumption of gin
averaged three gallons for every man
woman and child, and for stealing a
handkerchief a child could be executed.
MPs 'purchased their seats' and some
represented constituencies with no
people living in them. Arguments
against slavery and child labour were
initially ignored and later, during the
wars with France, advocates of
abolition were said to be 'unpatriotic'.

Through prayer and unswerving
dedication, William Wilberforce and his
friends set about transforming society
and changing the character of Britain
and in his memorable phrase, "made
goodness fashionable". After 20 years
and as many attempts, in 1807, the
Abolition of the Slave Trade Bill was
passed. The recent film 'Amazing Grace'
gives a dramatic and graphic account,
which is well worth seeing.

In 1886 in the United States, a 22

year old man lost his job
as a clerk. The following
year he became a
partner in a business,
which failed. Aged 37,
on his third try, he was
elected to the state

legislature, but two years later he lost
the re-election. Aged 40, he was
rejected for a political appointment.
He then had what we would now call
a 'nervous breakdown'. Aged 41, his
four-year-old son died. At 45, he was
defeated for the Senate and at 47, for
Vice President. Aged 49, he was again
defeated for the Senate. Aged 51, he
was elected President of the United
States. He was Abraham Lincoln.

*"Therefore...let us throw off everything
that hinders and the sin that so easily
entangles...let us run with perseverance the
race marked out for us, looking unto Jesus,
the author and finisher of our faith."*

BEATING THE BOUNDS

Rogation means 'an asking of God' - for blessing on the seed and land for the year ahead. It is appropriate in any emergency, war, plague, drought or foul weather. The traditional practice of 'beating the bounds' began with the Romans. In those days a crowd moved in procession around the cornfields, singing and dancing, sacrificing animals, and 'driving away Winter' with sticks.

In 465 A.D. Europe had suffered from earthquake, storm and and epidemic. Mamertius, Bishop of Vienne, aware of the popular pagan custom, ordered that prayers should be said in the ruined or neglected fields on the days leading up to Ascension. With this decision, the practice began to become a Christian ceremony.

Rogation-tide arrived in England early in the eighth century, and became a fixed and perennial asking for help of the Christian God. On Rogation-tide, a little group would set out to trace the boundaries of the parish. At the head marched the bishop or the priest, with a minor official bearing a Cross, and after them the people of the parish, with schoolboys and their school master trailing along. Most of them held slender wands of willow. At certain points along the route, at well-known landmarks like a bridge or stile or ancient tree, the Cross halted, the party gathered about the priest, and a litany or *rogation* was said, imploring

God to send seasonable wealth, keep the corn and roots and boughs in good health, and bring them to an ample harvest. At one point beer and cheese would be waiting for the walkers.

In the days when maps were neither common nor accurate, there was much to be said for 'beating the bounds' - still very common as late as the reign of Queen Victoria. Certainly parish boundaries rarely came into dispute, for everyone knew them. Few people today, however, know the exact boundary of Dedham!

OUR VICAR TO DO IT!

So, on **Saturday 12 May** the Vicar of Dedham will be walking the whole boundary of Dedham's ecclesiastical parish. As far as he knows this will be the first time it has been done for

more than a century (no mention of the practice has been found in our magazine archives). He will be doing this by following as closely as possible the exact boundary of the parish (in his cassock), along with volunteers to carry a processional cross, and with others who are welcome to join him for all or part of the journey. There will at some point be a break for beer and cheese! He will be doing this to draw attention to the Gift Day which will be taking place in the Church at the same time. (see p. 4)

THANK YOU, MRS CLAYTON

At the end of last school term Carolyn Clayton retired as the Headmistress of Dedham C.E. Primary School. She had been with the school for 22 years, gaining promotion to eventually lead the school. A farewell was organised with parents, present and former colleagues, governors and pupils attending, and giving tribute to her achievements. A gift of life-long membership of the National Trust was made. Staff had their own farewell meal which was great fun.

At the end-of-term

service in the Parish Church the Vicar presented Mrs Clayton with a photograph

of her home, Octagon House, Mill Lane, taken from an 1890s 'magic lantern' slide (see p. 9). On return to school she found that her office had been festooned. The final Friday afternoon assembly was packed to capacity. Children took the lead with their own memories and songs, the preparation for which had been a well-kept secret. Mrs Clayton was presented with a 'book of memories' that every child had helped to make, including photos taken over the years. She presented the school with a ship's bell, which the children will love to ring loud and long.

Our best wishes are with her for a long and happy retirement, enjoying visiting all those houses and gardens.

Christopher Bailey writes

HUNT FOR A HEADTEACHER

The Governing Body is continuing the process of selecting and appointing a new Headteacher for Dedham C.E. Primary School against a background of a national shortage of Headteachers and Deputy Heads. It hopes to be able to announce a permanent appointment in time for the Autumn Term. Meanwhile, with the support of the LEA, Dedham will share a very capable and experienced Headteacher with another school.

For the Summer Term only, Brian Combes, Headteacher of Stanway Primary School, has agreed to assume the additional responsibility of

being Headteacher in Dedham. As far as possible he will be spending some time each day during the term at each School. Mr Combes appreciates the ethos of our School. He is also keen to maintain strong relationships with the wider community and with the Church. I believe it says something about Mr Combes that the latest OFSTED report on his School is very similar to our own in its praise of the Head's leadership and management qualities. The Governing Body is most grateful, both to Mr Combes and to the Governors of Stanway Primary School, for the support they are affording us. I am sure we will all give Mr Combes a warm welcome as he takes on his new duties in Dedham.

SKATEBOARDING AND BMX

Dedham Parish Council agreed again to support the

Manningtree and

Mistley 'Summer

Initiative'. This year

Mistley Councillors will

be sponsoring the

larger apparatus, which

was available for only

one day last year, for the whole of the

summer period. Their decision on the

location is yet to be made but a

possible site is on Furze Hills.

A number of skateboarders from

Dedham enjoyed the facility in 2006

and it is hoped that they and others will

be able to get along to the new venue.

More information will be displayed

when the details are known. Dedham

Parish Councillors agreed to look for

ways to bring skateboarding apparatus,

initially for a trial period, into Dedham

itself next year.

CAR PARK TOILETS

There appears to be a need for toilet

facilities over the summer period to be

available in the Mill Lane car park.

Initial discussions have taken place with

Mr. Dave McManus from Colchester

Borough Council and an opportunity to

discuss the matter further will be at the

start of the Parish Council meeting at

7 p.m. on 9 May when it is hoped

Mr. McManus will be present.

PCSO ARRIVES IN JUNE

The Parish Council learned that our

Police Community Support Officer will

be Natalie King and that her 4-week

training period will start on 8 May

2007. This slight delay means that the

'tutor' period, when Natalie will be

seen in and around the village for the

first time, will not be until Monday

4 June. Her base in Dedham is likely to

be the Duchy Barn Community

Centre.

NEXT MEETING

The next Parish Council meeting will

be in the Assembly Rooms at the earlier

time of 7.00 pm on Wednesday 9 May

2007. The annual Parish Assembly will

follow. Minutes of all meetings can be

TRIPLE GOLD

Our village butchers have won three top national awards for their home-cured bacon. Tony and Richard Clark, together with Tom Smith, who serve the community at Evans & Sons in the High Street, were photographed and featured in the *Essex County Standard* after their success in impressing the BPEX judges at a produce show in Sussex. These accolades come just two years since their decision to start curing and smoking their own bacon, which they do using locally-produced pork. Their initiative and success will be applauded by all who appreciate what local businesses have to offer.

Ten Years Ago May 1997

An unusually long list of funerals was reported *From the Registers*, back to the beginning of the year. Among the names were *Maurice MacWilliam*, military hero, of Rye Farm; *William ('Bill') Woodward* (John Woodward's brother); *Stanley Booth* (co-founder of the Munnings' Trust); *Olga Whybrow* (widow of the former manager of Spearrings' shop); and the redoubtable *Elizabeth ('Betty') Mallett*, co-founder of Littlegarth School, and benefactor of Littlegarth Cottages. A village 'quiz evening' was held in aid of the Hewitt Hall; and a Deanery Festival service was held in the Parish Church, at which the preacher was the Rural Dean, the *Rev'd Christopher Woods*.

Fifty Years Ago May 1957

It was reported that more than 50 young people from the parish had attended a 'Youth Conference', led by the Vicar in the Hewitt Hall, over two days during Easter; the Dedham Choral Society had sung excerpts from *Messiah* on Good Friday evening, the funeral of Charles Burney ('CB') Shepherd of Rye Farm was reported (see box above); Easter was 'as late as possible' and the Spring had 'been exceptionally early and lovely' which meant that the flowers in church were 'different from the usual yellows'.

A Century Ago May 1907

'The condition of the Churchyard has been a matter of anxiety to the Churchwardens [James R. Trigg and William W. Hewitt] for some time' so the Vicar was 'very glad to announce that Messrs. Saunders have consented to keep it in repair'. The death of Dedham-born *Thomas Alfred Dunnage* was announced and his life extensively reported; he had been a key supporter of the Cricket Club, Flower Show, Royal Harwich Yacht Club, and had been Master of the Cutlers' Company. An elaborate Sunday School Prize-giving ceremony took place in 'the Schoolroom', with costumes and sketches, candles and footlights, and with scenery made and curtains loaned for the occasion, at which William Hewitt presented the prizes.
